¹ Section 54.202(a)(2) requires ETCs to "demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations."

ETC Annual Reporting Requirements 47 CFR §54.313(a)(2) through (a)(6) and (h)

Section 2: State-Designated ETC Reporting

In its *Clarification Order*, the FCC required state-designated ETCs that are subject to a state requirement to report to the state some or all of certain information annually, to file a copy of any relevant information with the FCC in 2012.² Specifically, state-designated ETCs must file information concerning outages, unfulfilled requests, and complaints as required in Section 54.313(a)(2)-(4) of the FCC's rules if the state requires ETCs to report some or all of this data.

X **Knology Community Telephone, Inc.** is located in **South Dakota**. This state commission's rules **do require** state-designated ETCs to file an annual report containing some or all of the following information: information concerning outages, unfulfilled requests and/or complaints. Pursuant to the *Clarification Order*, below is the relevant information that the Company provided in its most recent annual report:

1. §54.313(a)(2): Service Outages

The Company did not experience any service outages.

2. §54.313(a)(3): Unfulfilled Service Requests

The Company had no unfulfilled requests for service.

3. §54.313(a)(4): Service Complaints

The Company received two complaints in 2011. The complaints were not formally written complaints that needed to be resolved with the involvement of other Company representatives outside of the customer service department.
